Terms & Conditions

Cash

- Small orders – Cash on Delivery
- Large orders – 50% of estimate upfront, balance due at delivery.
- Bank Checks and Money Orders are accepted.
- Returned checks fees are billed as incurred.

Credit

- Commercial Accounts are accepted; if offered, Credit Terms are Net 30 days.

Taxes

- We are required to collect and remit sales taxes to New York State. If you are non-taxable, please provide us with a valid sales tax exemption certificate, otherwise we will calculate an appropriate amount of sales tax.

Freight

Freight is very expensive and we must strike a fine balance between quickness of delivery and that expense. We do our best to select a carrier that provides fast and cost efficient delivery.

- Local Delivery – \$3.00 per address within a 10 mile radius of Post Office 12128.
- Normal Delivery – We use US Post Office, UPS and FedEx for ground shipments
- Expedited Delivery – We use US Post Office Priority, UPS Expedited and FedEx Overnight for expedited shipments.

Freight is billed to you as incurred by the freight company plus a small handling charge for packaging materials.

Summer months

- Chocolate doesn't ship well in the hot summer months or to warm climates, we recommend that you do not order chocolate items without making expedited delivery.
